

Alex Harvey
Class of 2002

Committee Member

After the completion of her IB and a Bachelor of Arts at The University of Melbourne, Alex spent two semesters at La Universita per Stranieri in Siena, Italy.

Alex chose to pursue a career in the corporate world of media with roles at APN Outdoor and Southern Cross Austereo. She is currently working in the family business, an engineering consultancy.

Alex has fond memories of her time at Lauriston and joined the OLA committee in 2017. She says Lauriston helped her become the woman she is today, and her commitment to the OLA is a reflection of her gratitude to her teachers, peers and the School. She also says being part of the OLA is a way of giving back to the Lauriston community and to reconnect with like-minded individuals.
