

Amanda Smith
Class of 1993

Committee Member

After finishing Year 12, Amanda completed a Bachelor of Arts and a Bachelor of Laws at Monash University. She then joined the graduate program at Telstra and spent the next 16 years moving through a variety of sales, management and operational roles.

Amanda has three lovely children, Alice (who started in Year 5 at Lauriston this year), Lucy, 8 and 4 year-old James. In addition to being a member of the OLA committee, Amanda also volunteers at Lucy's school where she is School Council President.

Amanda is passionate about Lauriston, (particularly Kirkhope!) and loved the opportunities and experiences the School provided her. She was inspired to join the committee after having met OLA President Anna Wilson (Murray, 1990) at a previous school. Amanda is also keen to ensure that a strong OLA community continues into the future.
