

Sarah Smith nee Telford

Class of 1989

Committee Member

After graduation in 1989, Sarah completed a Science degree (Hons) at Monash University and did her Honours year at the Baker Health and Diabetes Institute. Sarah took the opportunity of travelling overseas after completing her degree and returned home to work in scientific research at Fauldings Pharmaceuticals. During this time Sarah completed a Graduate Diploma in Business Management at Monash, and decided to switch careers to work in the family hotel business.

Sarah has 3 daughters and continues to work part time for the family. Sarah joined the OLA because with three daughters and three nieces currently at Lauriston, she would like to get more involved with the School and help support the growth of the OLA.
